APPLICATION FOR
PAYMENT ON ESTIMATED TAXES

You filed a Complaint Against the Valuation of Real Property (“Complaint”) with the Cuyahoga County Board of Revision (“BOR”). Until the BOR issues a decision on your Complaint, you are entitled to pay the Treasurer an amount of taxes based on the full-market value you estimated in Column A of the Complaint Form (“Opinion of Value”).

To pay the tax based on the Estimated Value, complete the application below and attach a copy of the Complaint. If you filed a Complaint for multiple parcels, you must complete an application for each parcel, even if you filed one Complaint that contained multiple parcels.

Note: If the opinion of value is less than the market value that the BOR, an appellate board, or a court of appeals determines, you are responsible to pay any taxes, penalties, and interest on the difference between the taxes you paid and the final tax amount.
